

萬壽無疆

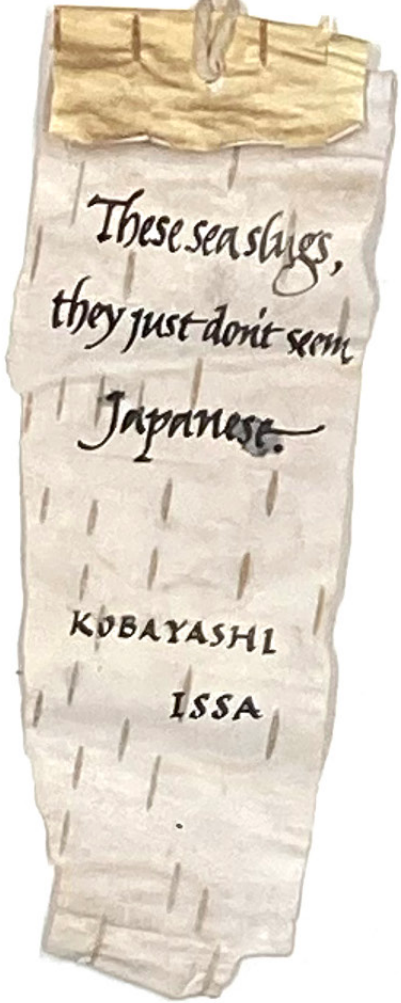

2025

In this day and age it's good to have some vert skills.

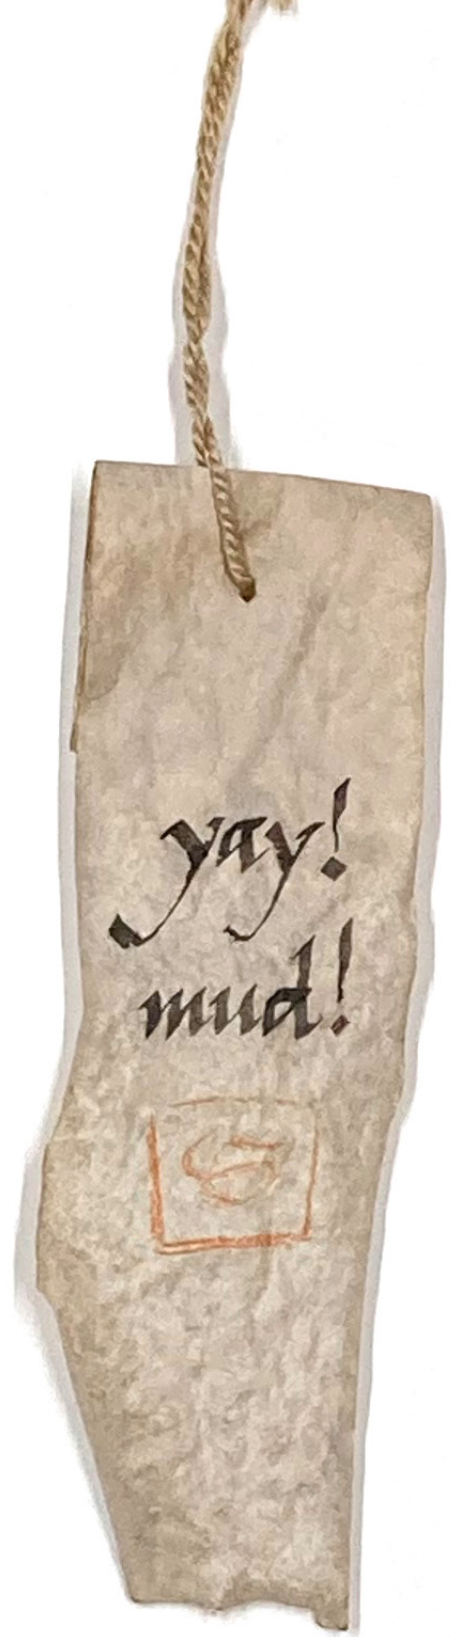

these sea slugs, they don't seem very Japanese
koba yashi issa

These sea slugs,
they just don't seem
Japanese.

KOBAYASHI
ISSA

yay! mud!

yay!
mud!

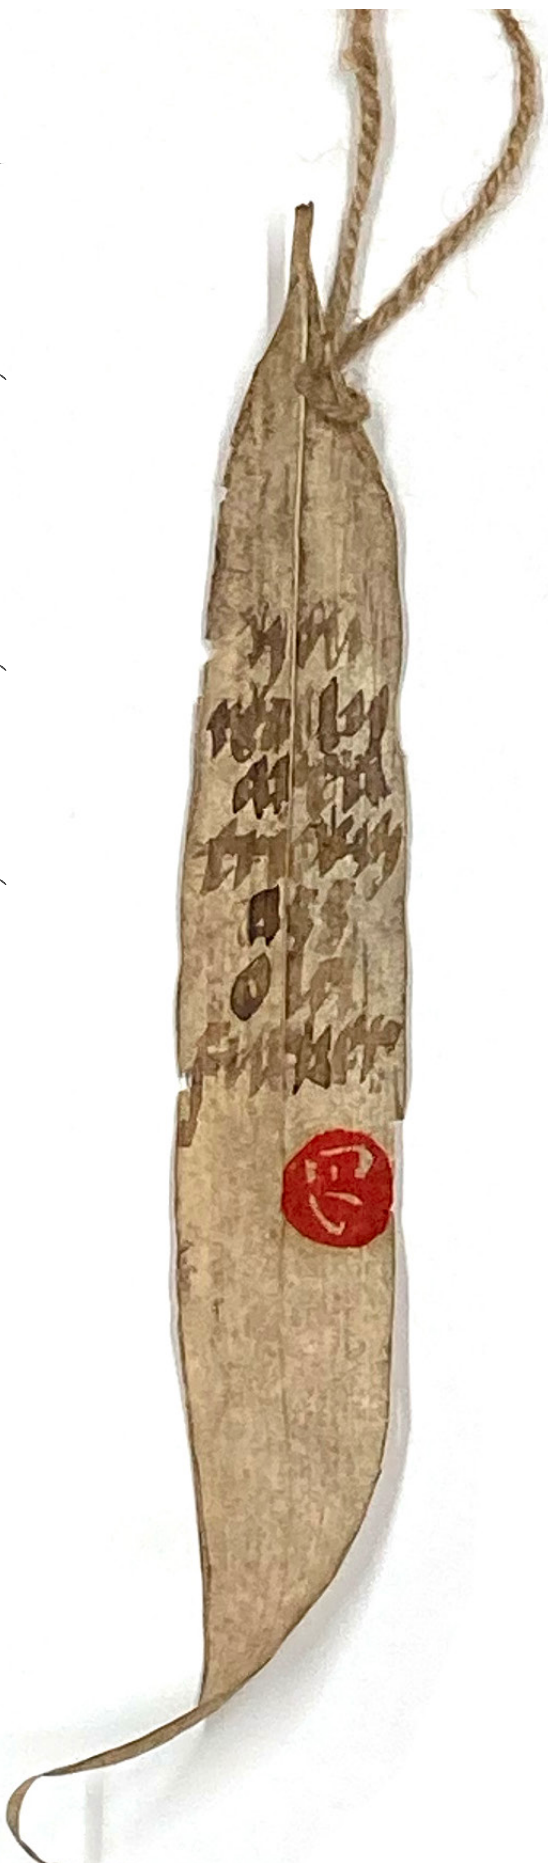

ars longa vita brevis

you tomorrow and you yesterday but never you today

you really are a trixky-ass old fucker

winter comes

don't know what I want but I know how to get it
