HELLO, June 29

Happy Summer / Crossing my fingers
against wildfires, or extreme heat or a
super-virulent COVID variant / our garden
is doing pretty well at ten a slow start.

PC MIXED SCRIPTS

we're getting a lot of berries water at
couple of also pointing yeast and our tart
(pie) cherry is loaded for the first time.

THE TREE (MONTMO-
NENCY?) WAS AN
ANNIVERSARY GIFT
FROM MY MOM ONE
YEAR & IT HAS BEEN
IN THE GROUND FOR
SEVERAL YEARS. I'VE
BEEN PICKING, PIT-
TING & FREEZING THE
FRUIT FOR SEVERAL
DAYS. CAROLYN MAKES
jam with them. -MARK
